Being a Volunteer

Donating your time as a volunteer means a lot to us at NWCRF, whilst we don't have shops we do have committees across the region who do lots of fundraising activities for us. If you have an idea for fundraising, want to join a committee or just want to help out but don't know how, give us a ring and we can have a chat.

“*Being a volunteer member of NWCRF has been such a rewarding experience for me, meeting new people, learning new organisational skills and having fun along the way. I encourage anyone, young or old, with a little time to spare to consider getting involved with their local branch!*”

Mold Committee Member

Our butterfly is based on the Holly Blue, which, with its long lifespan and flying high in its natural habitat, symbolises our high standards and long standing within the research world.

Butterflies are seen throughout the world as a symbol of hope. It is our hope and purpose to find the causes cancer.

Online Donations

Online donations can be made via justgiving, www.justgiving.com/nwcancer.

Payroll Giving

In 1987 the Government introduced Payroll Giving as a form of tax effective giving to charities. You can support up to four charities of your choice with regular donations direct from your pay. It is cheaper because it is tax free. Please help us find the cause of cancer by making regular donations to us through your employer's Payroll Giving Scheme.
